PRAY about everything - WORRY about nothing *Philippians 4:6*

- ◆ Continued prayers for little Emberly who has been fighting an infection. Prayers for healing, strength, and encouragement for Emberlee and her mom as they continue to face this together.
- ◆ Grant McCullough, Lea Jordan's nephew—13 years old—and the grandson of Mike and Marcy. His parents, Pat and Annie, received difficult news that Grant has a tumor intertwined with his optic nerve, and it is inoperable. He has already begun to significantly affect his vision. Praying for miracles in his body as he goes through treatments, that they will be effective and successful with complete healing. Pray also for strength and optimism for Pat and Annie, as well as for Grant's sister, Molly. Most of all, please keep Grant in your prayers as he faces everything that comes with these treatments.
- ◆ Continued healing for Lorin Jordan
- ◆ Julie and Angie's Uncle Charlie in Hospice.
- ◆ Blake Adkins has completed basic training and is now at Fort Gregg, VA where he will be in training through July.
- ◆ Erik Larson as he is serving faithfully in the Army in Washington, D.C.
- ◆ Brenda Bergum's daughter Bobbi Jo has heart problems.
- ◆ Bob Severson recovering from additional foot surgery.
- ◆ JR & Shelly Jordan's daughter-in-law's father, Nino Torres, has stage 4 kidney cancel. He lives in Texas and so it is hard for Emily since she and Lucas are in Oregon, Wisconsin.
- ◆ Tracy Metz, dealing with heart concerns
- ◆ Kendra's nephew, Carson, with a seizure disorder.
- ◆ Kim Shield's daughter, Kristin, who is having problems swallowing
- ◆ Those dealing with cancer: Emberlee Krahenbuhl, Leanne Severson's great niece Kaelie Wunschel, Bob Wunschel, Louis Fields, Dale Holland, Shelly's stepdad Gene, Angie's friend Jennifer, Jerry's co-worker, Tracy, Kristen Ermey, and Peggy Matzke's cousin Shelly
